

You are invited by CACHE in Medford (Coalition for Arts, Culture and a Healthy Economy) to participate in the re-launch of its successful Medford Saves key-tag program for June 2018 through December 2019. This program offers valuable savings and special promotions at a wide range of businesses throughout Medford. Join this program and your business could benefit by attracting new customers and rewarding your regular patrons.

**About Medford Saves:** Business owners decide what they wish to offer for a discount. It is designed to help you stimulate patronage of your business while providing CACHE the opportunity to sell the Medford Saves key tags to the public as a fundraiser. All proceeds support our **three free programs: Circle the Square, Arts Across Medford, and The Mystic River Celebration.**

**How to participate:** You can participate by providing your information to CACHE on the attached form **no later than April 16, 2018** including the discount you would like to offer, such as savings on your professional services, food menu or products. If you are interested, a member of CACHE can work with you in submitting information.

For more information, please contact us at [cachemedfordsaves@gmail.com](mailto:cachemedfordsaves@gmail.com).
